

Custom painting seminar

BY DIANNA ANDERSON

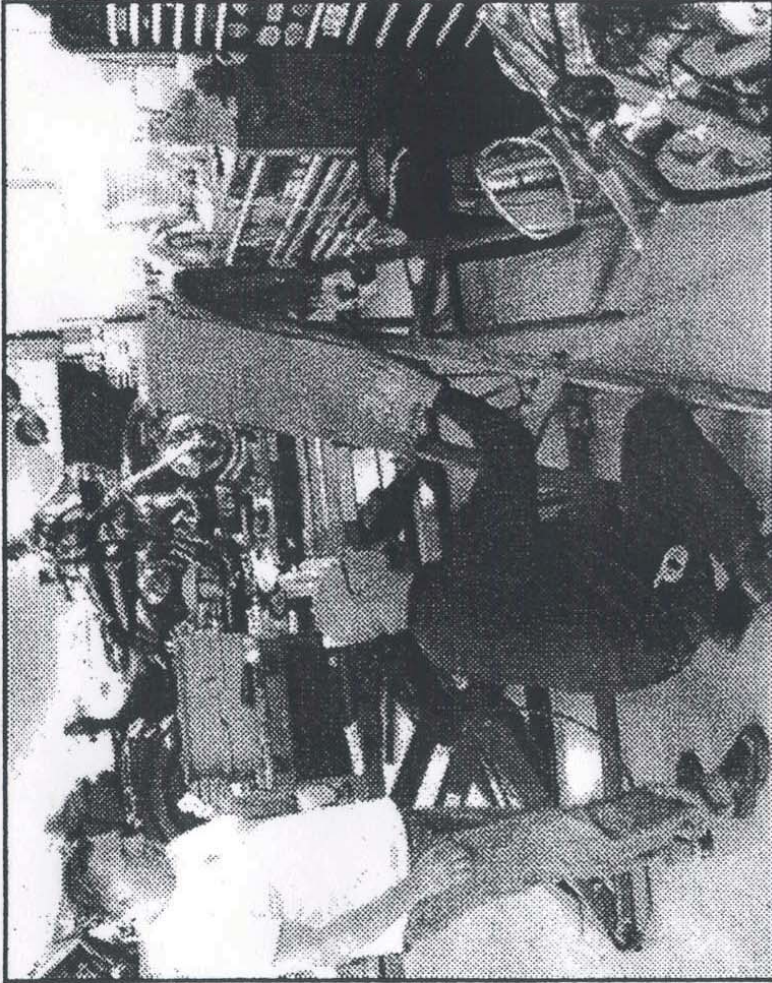

Gear Driven Performance held its recent monthly seminar with a local celebrity.

The Mauston business welcomed Doug Wozney of Dougz Custom Paint & Fabrication in Onalaska April 18.

Wozney has been featured on Torque.TV, an Internet television network for motorheads.

He also won the People's Choice awards during the bike build-off at La Crosse-based S&S Cycle's 50th anniversary celebration for his custom-built Pro-Tour X motorcycle, a 100 hp cruiser. Thousands of people from all over the world attended last August.

Wozney has been featured in "IronWorks," "American Iron," "Vtwin," "American Bagger" and "Hot Bike." He is also being

featured in "Quick Throttle Bikers" magazine, which will soon be available at Gear Driven Performance. This is a free magazine which allows riders to connect with each other.

Wozney showed his free hand art work for patrons of the seminar, and some of the art work he has created for Gear Driven Performance

owner Randy Winchel.

Wozney also has painted custom cars, trucks, and golf carts.

For more information about Wozney, or to contact him, go to www.dougz.com or call 608-783-3684.

If you are thinking about a paint job, let Wozney know you read about him in the *Messenger* and get \$50 off a paint job.

Gear Driven Performance will hold a seminar May 16 with Ron Rose of Abate of Wisconsin region 7E on "Sharing the Road."

July 18, Gear Driven will be holding a bike ride to Rock Falls Raceway near Eau Claire, where the track will host a bike racing day.
